Association Fee

Each year we ask for a voluntary fee of \$45.00 to help with the expense of maintaining the neighborhood.

Contributions are growing year by year. If you compare association fees in other neighborhoods, you know most run at least **\$35.00 a month** and that is with no pool. Please return the form at the end of the newsletter or bring it with you to the annual meeting.

Good Deed Elves Spotted

Lee Fox had been spending some time quietly cleaning the side areas of Del Porvenir. He was later joined by Gordon and Nancy Graham in his efforts to improve the appearance along the street. We keep discovering people that work to help keep our neighborhood attractive. Thanks folks!!!

Car Vandalism

It has been reported that two vehicles were broken into with intent to steal them. Please call the police if you see suspicious activity or unlawful acts. Motion lights installed near where you park your cars and steering wheel locks will help discourage illegal activity.

New Service

At times we get notices from the city regarding a meeting or action that will take place before our next newsletter goes out. In order to resolve this problem, we will create a listserv for our TPW1 residents in order to give notification in a timely manner. The TPW1 listserv will be used for neighborhood business only. Of course, the option to have your name removed will always be available. If you would like to be part of the TPW1 neighborhood listserv, please include your email on the form below.
